

**BSEM Scientific Conference**  
**The Halogens (Fluorine, Chlorine, Bromine, Iodine) and their  
Compounds in Health & Disease**

**Date:** Friday 18 November 2011  
**Venue:** Charles Darwin House, 12 Roger Street, London WC1N 2JU  
**Organiser:** Dr Charles Forsyth

- 9.00: *Registration*
- 9.30: **Welcoming remarks** - Dr Damien Downing
- 9.40: **Introduction to the Halogens** - Dr Charles Forsyth
- 10.00: **Iodine** - Dr Jorge Flechas (N Carolina, USA, physician, iodine researcher)
- 11.00: *Break*
- 11.30: **Iodine (continued) & Bromine** - Dr Jorge Flechas
- 12.15: **PCBs & Phthalates** - Dr Gavin ten Tusscher (Consultant paediatrician, Holland)
- 13.00: *Lunch*
- 14.00: **Fluoride** - Prof Vyvyan Howard (Professor of Bioimaging, University of Ulster)
- 14.45: **Dioxins** - Dr Janna Koppe (Consultant paediatrician, Emma Children's Hospital, Amsterdam)  
*Perinatal dioxin exposure in Western Europe 1987-1991 and later effects in the offspring until adolescence with emphasis on delayed breast development in the girls and metabolic changes.*
- 15.30: *Break*
- 16.00: **Fluoride** - Dr John McLaren Howard (biochemist, Acumen)  
*At 1ppm, the level added to drinking water, can fluoride sensitivity occur and/or can toxicity be demonstrated?*
- 16.30: **Perfluorochemicals & Plastics Additives** - Professor Tamara S Galloway
- 17.00: **Discussion / panel**
- 17.15: *Close*

*See also BSEM Training Module 3 - Neurological and Musculoskeletal Disorders,  
on Wednesday 16th and Thursday 17th November.*

## Registration Form

Red means required field	
Fee (please tick)	Before 5th October; Members £120 [ ] Non-members £140 [ ] Medical students £80 [ ] After 5th October; Members £140 [ ] Non-members £160 [ ] Medical students £80 [ ]
Name	
Address	
Email	
BSEM member?	Yes/No
Telephone	
Special diet?	
Payment method	Please indicate:
Electronic transfer (preferred)	BSEM account no.: 91637096 at HSBC Bank (UK). IBAN number: GB85MIDL40160891637096 BIC/SWIFT number: MIDLGB2103J
Cheque	Please make payable to BSEM
Credit card	Only by calling Joanna George at The Diagnostic Clinic on +44 (0) 207 009 4650
